Session 1: Smart Loving - 1.14.18 @ SFX

A proactive common sense approach to inviting more joy into our lives every day. This upbeat, three-hour session offers positive and affirming insights and fun couple exercises to help us love smarter not harder by prioritizing being in love. Gain clarity and freedom from our common "dumb loving" mistakes and fill out a special "gift registry" that will help you discover what makes your husband or wife feel most in love!

Session 3: Talking with Purpose 1.28.18 @ SP

This session offers simple strategies to help us avoid misunderstanding and teaches a powerful skill that can achieve an emotional connection so that we can feel close in any situation. Learn practical approaches for reconciling hurts and freeing ourselves from outside pressures. The issue is not the issue; we are the issue!

Session 2: The Passionate Couple 1.21.18 @ ST

Take your relationship to the next level! This session offers a paradigm shift from just getting along to being passionately in love, not just for our own sake but for the sake of those around us. It offers keen insights that bridge the gap between how men and women prefer to achieve intimacy and empowers us to be a joyful sacramental couple.

Session 4: Living the Dream 2.4.18 @ SJ

Learn a fool proof process that can help a husband and wife to come together on any issue while still nurturing the tender atmosphere of being in love. This session can help us absolutely avoid ever having an argument and unleashes an aura of deep respect in our marriage. It will also guide us in discerning and directing our lives intentionally so that we can live in love the way we always dreamt we would.
